Dear Faithful Friends,

On behalf of Harvest House, thank you for your generous donations for our Christmas families. Your donation is vital to helping us make a difference in this community.

The COVID-19 pandemic, the racially motivated shooting at Tops just down the street, and the continued influx of immigrants, have created a further disparity between East Buffalo and the rest of Western New York. Your donation will help us provide expanded services to people who are suffering the most.

The Baby & Children's Ministry has seen a **60% increase** in the number of children we have served this year. We continue to have expanded hours of service, both in-store and curbside, helping parents and caregivers in crisis safely gain access to clothing and basic needs for their children.

Good Neighbors Health Care is one of the only free medical and dental providers in East Buffalo, and our dedicated medical and dental care staff are busier than ever. We have expanded our medical services to include children's physical exams and continue to help our patients make important connections to health insurance and other providers. We have partnered with UB Dental School to offer additional dental hours one Saturday per month. Your donation makes it possible for us to purchase the supplies we need to continue providing these basic human health services to the community.

The New Hope Education Center is empowering students in our nursing and medical office programs as they complete training to enter the workplace and join understaffed medical teams. We partner with Buffalo Adult Education, the Lineage Group, the WNY Women's Foundation and 716 Ministries to walk alongside our students as they step out of poverty and into living wage jobs.

Harvest House has been working with the State of New York and the City of Buffalo to administer Emergency Rental Assistance funds to help prevent homelessness. We have helped 800+ families stay in their homes.

The Retreat Center is open and hosting groups as they learn the importance of Christian service and volunteer in our community.

We are grateful for your support and faith in our ministries. Thank you and God Bless,

Carol Murphy
President
